

Acceptable Items for Recycling

Where Should it Go?

#1 & #2 Plastic Food & Beverage Containers

Rinse the container.

You may leave any labels on.

Remove the lids & rings, put in trash.

Empty plastics that contained motor oil or hazardous kinds of oil must be clean, dry, and then go in the trash.

Clear Glass Food Containers

Rinse clean -Leave labels on

Lids, rings, and broken glass go in the trash.

Paper Products

Newspapers & items with the newspapers, magazines, catalogs, phone books, and junk mail should be put into a clean plastic grocery type bag/sack.

Put soiled paper in the trash.

Tin Cans

Rinse clean and remove labels.

Toss any loose lids into the trash.

Corrugated Cardboard and Paperboard

Must be clean and flattened.

Wax coated, soiled cardboard or paperboard put in the trash—ex. Pizza boxes.

Thank you for Choosing to Recycle!
